

## Machinery Specification

**(#5242)**

**TYPE:** Two Roll Two Motor Rotary Straightener

**MFG.:** Robertson

**AGE :** 1960's

**TYPE:** Horizontal design, two motor drive

**SIZE:** # 4

**CAPACITY:** 1" to 3-1/2" bars mild steel - 70mm @ 4140 steel

**ROLL MOTORS:** 2 motor 40hp AC each (approximate)

**SPEED:** 0 to 120 fpm - (approximate)

**FEATURES:**

- Entry & exit automated tables
- Motorized entry pinch rolls
- Motorized roll adjustment
- Solid state controls
- Control console
- Coolant pump & tank
- upper and lower guide holders & guides
- Steel frame
- Roller bearings rolls, and chocks

**WEIGHT:** 120,000# approximately

**CONDITION:** Good - still installed

**AVAILABLE:** Immediately

**SUBJECT TO USA MACHINERY CORPORATION TERMS AND CONDITIONS FORM 487**
